Jennifer,

Thanks for the chance to look at these charge questions. Realizing a version went to CASAC leadership for their response, I wanted to share a bit of feedback from conversations with OAQPS.

Hi Jennifer,
Please see attached the revised charge questions for the CASAC review of PM ISA. John is also sharing with OAQPS. This version is now squarely founded in the Back to Basics

memo and fully contextualized in the charge questions described in there. It is also augmented with a few science-focused questions. Along with the PM ISA, John plans to transmit this to Aaron Yeow in SAB's office, as soon as you have had a chance to look at the charge questions. So, let us know when you are good.

Thanks,
Tina
